herein, including costs associated with the delay or interference with the Project. Liquidated damages are not intended to include litigation costs or attorney fees incurred by the Owner, or other incidental or consequential damages suffered by the Owner due to the Contractor's performance. If the Owner charges liquidated damages to the Contractor, this shall not preclude the Owner from commencing an action against the Contractor for other actual harm resulting from the Contractor's performance, including but not limited to, costs associated with the delay or interference with the Project.

- 26.4 In order to recover liquidated damages, the Owner is under no obligation to prove the actual damages sustained by the Owner due to the Contractor's delay in performance. ADDENDUM

NOTIFICATION OF IMMIGRATION COMPLIANCE REQUIREMENTS AND CERTIFICATION BY CONTRACTOR

_____, (“Contractor” herein) acknowledges that Contractor has been notified of the immigration compliance requirements of C.R.S. § 8-17.5-101, *et.seq.* (House Bill 06-1343), and hereby **CERTIFIES** that:

1. The Contractor shall not knowingly employ or contract with an illegal alien to perform work under the public contract for services; or
2. Enter into a contract with a subcontractor that fails to certify to the Contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under the public contract for services;
3. The Contractor has verified or attempted to verify through participation in the basic pilot program that the Contractor does not employ any illegal aliens and, if the Contractor is not accepted into the basic pilot program prior to entering into a public contract for services, that the Contractor shall apply to participate in the basic pilot program every three months until the Contractor is accepted or the public contract for services has been completed, whichever is earlier. This provision shall not be required or effective in a public contract for services if the basic pilot program is discontinued;
4. The Contractor acknowledges that the Contractor is prohibited from using basic pilot program procedures to undertake pre-employment screening of job applicants while the public contract for services is being performed;
5. If the Contractor obtains actual knowledge that a subcontractor performing work under the public contract for services knowingly employs or contracts with an illegal alien, the Contractor shall be required to:
 - (A) Notify the subcontractor and the contracting state agency or political subdivision within three days that the Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and
 - (B) Terminate the subcontract with the subcontractor if within three days of receiving the notice required pursuant to subparagraph (A) of this Section 5 the subcontractor does not stop employing or contracting with the illegal alien; except that the Contractor shall not terminate the contract with the subcontractor if during such three days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.
6. Contractor is required to comply with any reasonable request by the State Department of Labor and Employment (“Department” herein) made in the course of an

investigation that the Department is undertaking pursuant to the authority established in C.R.S. § 8-17.5-102(5).

7. If Contractor violates a provision of the public contract for services required herein may terminate the contract for a breach of the contract. If the contract is so terminated, the Contractor shall be liable for actual and consequential damages to the County.

8. The County is obligated to notify the office of the secretary of state if a contractor violates a provision of this Addendum and the County terminates the contract for such breach. Based on this notification, the secretary of state shall maintain a list that includes the name of the Contractor, the state agency or political subdivision that terminated the public contract for services, and the date of the termination. A contractor shall be removed from the list if two years have passed since the date the contract was terminated, or if a court of competent jurisdiction determines that there has not been a violation of the provision of the public contract for services required pursuant to Section I. An agency or political subdivision shall notify the office of the secretary of state if a court has made such a determination. The list shall be available for public inspection at the office of the secretary of state and shall be published on the internet on the website maintained by the office of the secretary of state.

9. The Department may investigate whether a contractor is complying with the provisions of a public contract for services required pursuant to Section I. The Department may conduct on-site inspections where a public contract for services is being performed, request and review documentation that proves the citizenship of any person performing work on a public contract for services, or take any other reasonable steps that are necessary to determine whether a contractor is complying with the provisions of a public contract for services required pursuant to Section I. The Department shall receive complaints of suspected violations of a provision of a public contract for services (this Addendum) and shall have discretion to determine which complaints, if any, are to be investigated. The results of any investigation shall not constitute final agency action. The Contractor is hereby notified that the Department is authorized to promulgate rules in accordance with article 4 of title 24, C.R.S., to implement the provisions of C.R.S. § 8-17.5-101, *et. seq.*
